Detailed Test Case Specifications

TC-01: Register User

Description: Verify that a new user can successfully register, view the 'Logged in as' header, delete the account, and verify the 'ACCOUNT DELETED!' screen.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Verify home page is visible successfully
3. Click on 'Signup / Login' button
4. Verify 'New User Signup!' is visible
5. Enter name and email address
6. Click 'Signup' button
7. Verify 'ENTER ACCOUNT INFORMATION' is visible
8. Fill details: Title, Name, Password, Date of birth
9. Select checkbox 'Sign up for our newsletter!'
10. Select checkbox 'Receive special offers from our partners!'
11. Fill address details: First name, Last name, Company, Address, Address2, Country, State, City, Zipcode, Mobile Number
12. Click 'Create Account' button
13. Verify 'ACCOUNT CREATED!' is visible
14. Click 'Continue' button
15. Verify 'Logged in as John David' is visible
16. Click 'Delete Account' button
17. Verify 'ACCOUNT DELETED!' is visible

18. Click 'Continue' button

Expected Result: *User is successfully registered, logged in, and the account is deleted successfully.*

TC-02: Login User with correct email and password

Description: Verify that a registered user can log in with a correct email and password, delete the account, and verify deletion.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Verify home page is visible successfully
3. Click on 'Signup / Login' button
4. Verify 'Login to your account' is visible
5. Register a temporary user 'LoginCorrect' with email and password
6. Click on 'Signup / Login' button
7. Enter correct email and password
8. Click 'login' button
9. Verify 'Logged in as LoginCorrect' is visible
10. Click 'Delete Account' button
11. Verify 'ACCOUNT DELETED!' is visible

Expected Result: *User logs in successfully, user name is displayed, and user account is deleted.*

TC-03: Login User with incorrect email and password

Description: Verify that a user cannot log in with an incorrect email and password, and receives a validation error message.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Verify home page is visible successfully
3. Click on 'Signup / Login' button
4. Verify 'Login to your account' is visible
5. Enter incorrect email and password
6. Click 'login' button
7. Verify error 'Your email or password is incorrect!' is visible

Expected Result: *Login fails and the error message 'Your email or password is incorrect!' is displayed.*

TC-04: Logout User

Description: Verify that a logged-in user can log out successfully and is navigated back to the login page.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Verify home page is visible successfully
3. Click on 'Signup / Login' button
4. Verify 'Login to your account' is visible
5. Register a temporary user and log in
6. Verify 'Logged in as LogoutUser' is visible
7. Click 'Logout' button
8. Verify user is navigated to login page

Expected Result: *User is logged out successfully and redirected to the login/signup page.*

TC-05: Register User with existing email

Description: Verify that a user cannot register with an email address that is already registered, and receives a validation error message.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Verify home page is visible successfully
3. Click on 'Signup / Login' button
4. Verify 'New User Signup!' is visible
5. Register a temporary user first
6. Enter name and existing email address, and click 'Signup' button
7. Verify error 'Email Address already exist!' is visible

Expected Result: *Registration fails and the error message 'Email Address already exist!' is displayed.*

TC-09: Search Product

Description: Verify that a user can search for a specific product and see the search results matching the query.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Verify home page is visible successfully
3. Click on 'Products' button
4. Verify user is navigated to ALL PRODUCTS page successfully
5. Enter product name 'Blue Top' in search input and click search button
6. Verify 'SEARCHED PRODUCTS' is visible
7. Verify all the products related to search are visible

Expected Result: *The search results display all products related to 'Blue Top' successfully.*

TC-12: Add Products in Cart

Description: Verify that a user can add multiple products to the cart and verify their prices, quantity, and total price.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Verify home page is visible successfully
3. Click 'Products' button
4. Hover over first product and click 'Add to cart'
5. Click 'Continue Shopping' button
6. Hover over second product and click 'Add to cart'
7. Click 'View Cart' button
8. Verify both products are added to Cart
9. Verify their prices, quantity, and total price

Expected Result: *Both products are added to the cart, displaying correct price, quantity, and total price.*

TC-14: Place Order: Register while Checkout

Description: Verify that a user can add a product to the cart, proceed to checkout, register a new account, complete the order with payment, and delete the account.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Verify home page is visible successfully
3. Click 'Products' button
4. Hover over first product and click 'Add to cart'
5. Click 'View Cart' button
6. Verify cart page is displayed
7. Click Proceed To Checkout
8. Click 'Register / Login' button
9. Fill details in Signup and create account
10. Verify 'ACCOUNT CREATED!' is visible and click 'Continue'
11. Verify 'Logged in as CheckoutRegister' is visible
12. Click 'Cart' button, click Proceed To Checkout
13. Verify Address Details and Review Your Order
14. Enter description in comment text area and click 'Place Order'
15. Enter payment details: Name on Card, Card Number, CVC, Expiration Date
16. Click 'Pay and Confirm Order' button
17. Verify success message 'Your order has been placed successfully!'
18. Click 'Delete Account' button
19. Verify 'ACCOUNT DELETED!' is visible and click 'Continue'

Expected Result: *Order is placed successfully, confirmation message is shown, and the registered user account is deleted.*

TC-21: Add review on product

Description: Verify that a user can write and submit a review for a product, and see a success confirmation message.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Click on 'Products' button
3. Verify user is navigated to ALL PRODUCTS page successfully
4. Click on 'View Product' of first product
5. Verify 'Write Your Review' is visible
6. Enter name, email, and review comment
7. Click 'Submit' review button
8. Verify review success message 'Thank you for your review.' is visible

Expected Result: *Product review is submitted successfully and confirmation message is displayed.*

TC-23: Verify address details in checkout page

Description: Verify that delivery and billing addresses on the checkout page match the addresses entered during account registration.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Verify home page is visible successfully
3. Click on 'Signup / Login' button
4. Register a new account 'AddressVerify'
5. Verify 'ACCOUNT CREATED!' and click 'Continue'
6. Verify 'Logged in as AddressVerify' is visible
7. Click 'Products' button, hover over first product and click 'Add to cart'
8. Click 'View Cart' button and verify cart page is displayed
9. Click Proceed To Checkout
10. Verify delivery address is the same as registration address
11. Verify billing address is the same as registration address
12. Click 'Delete Account' button and verify deletion

Expected Result: *Delivery and billing address details on checkout match registration address details.*

TC-24: Download Invoice after purchase order

Description: Verify that a user can purchase an order, download the invoice, and verify that the invoice is downloaded successfully.

Test Steps:

1. Navigate to URL 'http://automationexercise.com'
2. Verify home page is visible successfully
3. Click 'Products' button, hover over first product and click 'Add to cart'
4. Click 'View Cart' button and verify cart page is displayed
5. Click Proceed To Checkout
6. Click 'Register / Login' button and register a new account
7. Verify 'ACCOUNT CREATED!' is visible and click 'Continue'
8. Verify 'Logged in as InvoiceDownload' is visible
9. Click 'Cart' button and click Proceed To Checkout
10. Verify Address Details and Review Your Order
11. Enter comment description and click 'Place Order'
12. Enter payment details, click 'Pay and Confirm Order'
13. Verify success message 'Your order has been placed successfully!'
14. Click 'Download Invoice' button and verify invoice is downloaded successfully
15. Click 'Continue' button
16. Click 'Delete Account' button, verify deletion, and click 'Continue'

Expected Result: *Order is placed successfully, invoice file is downloaded, and the account is deleted.*
